

Dear friends and fellow animal lovers,

Almost two years ago one of my neighbors contacted me to let me know her mother was going into assisted living, and asked if I could take her little old dog, Wiley. I reached out to a favorite client of mine, Vicky, who I knew had recently lost a dog, and told her Wiley's story. Without batting an eyelash she said, "Of course I'll take him." My neighbor dropped the dog off at our clinic and Vicky walked in not two minutes later, took him in her arms, and drove off. What an fantastic woman. That's why we love her. □

Wiley spent an AMAZING two years in her home, going to the beach, bonding with her other animals, and living the life of Wiley. His multiple issues finally took over and she recently had to say goodbye to him. Coincidentally, that same day I received an urgent email from Animal Control in Humboldt County. They had a German Shepherd puppy named Tilly (I call her Silly) who they were about to euthanize as they said she had severe hip dysplasia and could not walk. Would I take her? We all know THAT answer. The lovely officers at Animal Control arranged an 11-hour transport to get little Silly all the way to our clinic. In honor of Wiley we now have Silly Tilly. And she is walking pretty well, thank you very much!!!

Have a wonderful month everyone, and please follow Silly Tilly's progress.

Lemonade Brothers

Eli and Aaron are brothers, and neighbors of ours. They were buddies with the late Maverick, as well as all of the Gallagher-McMahon dogs. We regularly run into each other on our walks. Eli and Aaron always greet us with big smiles and lots of belly rubs.

These kind boys wanted to help the disabled and injured dogs of the foundation. So they hosted their own lemonade stand to raise money to donate towards the foundation. How sweet is that?

Every amount helps, and every donor is greatly appreciated. Yet some donations are extra special when they come from the heart. Thank you so much to Eli and Aaron!!!
